

DOUGLAS COUNTY ROAD AND BRIDGE CLOSING STATUS

AS OF MAY 15, 2012

N1750 Road is now closed to all traffic at 753E due to bridge replacement as of today, Tuesday, May 15th. No official detour will be provided.

County Route 1057 (E1900 Road) is still closed, immediately south of K-10 Hwy, for replacement of the bridge over the Wakarusa River. The project is expected to be completed in November.

N1200 from 2200E to 2400E is still open to traffic during construction.

County Route 1055 (6th Street - Baldwin City) is still closed to through-traffic, immediately north of US56 Hwy, for reconstruction. This portion of the project is expected to be closed through early July.
